

Overview of Communication Apps and Medical Insurance Funding for iPad-based Speech Generating Devices
Monday, October 28, 2019
9:30 to 12:00
CLASS 1400 South Braddock Ave. Pittsburgh 15218

Have you been trying to figure out how to get medical insurance to fund an iPad? Are you unsure which communication apps are available? This workshop will get you headed in the right direction.

We will explain the funding paperwork requirements for medical insurances along with an overview of several popular communication apps.

The workshop will be presented by Millie Telega, CCC-SLP from Augmentative Communication Consultants, Inc. and Karen Boros, LSP and Director of Speech Language Services for Paula Teacher and Associates, Inc.

This workshop is for Case Managers, Speech Therapists, Supervisors and Supports Coordinators and family members.

Registration is free and encouraged. **Please register by October 21st.** Walk-ins welcome. To register, call Christina Chamberlain at CLASS 412.683.7100 ext. 2179 or email cchamberlain@classcommunity.org
